## Cancellation/ No Show Policy

In order to be able to maintain the high level of quality care and one-on-one service provided at BodyPro! Chiropractic we ask that our patients comply with a **24-hour** cancellation policy.

BodyPro! Chiropractic requires a 24-hour advance notification when canceling a chiropractic or massage therapy appointment. If the patient fails to comply with this 24-hour cancellation policy a fee of **\$30.00** will be charged to the patient's account due the following scheduled visit.

I have read the following policy and agree to the conditions and terms mentioned above.
